

The mission of the Children's Advocacy Project of Columbus (CAP4Kids) is to help bridge the gap between the many quality social service agencies in the area and the families that need their help the most.

A PROVEN TOOL:

- Started in Philadelphia, has expanded to over 10 cities, and is now affiliated with many large pediatric institutions nationwide.

CAP4Kids:

- CAP4Kids is a free, online referral resource connecting youth and families with resources in the community, categorized by need:

Free Health Care & Prescriptions, After School Programs & Camps, Child Care, Education, Employment, Food & Nutrition, Housing, Immigration Services, Legal Services, Literacy, Mental Health, Parenting & Foster Care Resources, Physical Health, Pregnancy Resources, Safety, Special Needs, Teen Resources, Autism, Substance Abuse Programs

- Parents and providers can print out user-friendly handouts on these and other topics.
- CAP4Kids email updates:
 - Highlight new community service programs.
 - Communicate child advocacy information.
 - Educate health care providers about community resources available for their patients and families.

YOU CAN UTILIZE CAP4KIDS IN THE FOLLOWING WAYS:

- Share the site with colleagues and families you are working with.
- Stay connected with the CAP4Kids team by signing up to receive email updates.
- Provide updates and feedback about the site through the email listserv.
